

FLEX ACADEMIES

Flex Academies Before and After School teachers are:

- Responsible, caring, personable, resourceful, and imaginative.
- Knowledgeable about common developmental patterns in children.
- Pre-screened and background checked.

Flex Academies students learn to become:

- Passionate and confident learners.
- Cooperative and collaborative team members.
- Unafraid of making mistakes, seeing each one as a valuable stepping stone to success.

Daily at Flex Academies, we provide:

- A safe, secure environment.
- Opportunities to move, socialize, and develop new skills and interests.
- Hands-on curriculum that supports educational goals by reinforcing concepts taught in school.
- Outdoor play and activities.
- A well-planned, consistent, and organized operation with a safe, friendly, structured, and nurturing environment.

Long-term at Flex Academies, we foster:

- Students who are excited about learning.
- Students with a strengthened engagement in school.
- A program with a focus on promoting social and emotional development.
- A curriculum which opens the minds of students to new possibilities and encourages them to act on new-found passions
- Increased academic performance, greater physical health, and positively influenced classroom behavior.

Our Flex Academies curriculum is designed to:

- Meet each child's needs and interests using developmentally appropriate activities.
- Facilitate healthy physical, mental, social, and emotional development.
- Engage students in multi-sensory, multi-intelligence learning.
- Offer outdoor interactive fitness activities that promote positive sportsmanship.
